

Need CEUs? Get them at the 2010 NSCAA Convention!

Recognizing a critical need for our member coaches, the National Soccer Coaches Association of America (NSCAA) has joined forces with the United States Sports Academy to offer Continuing Education Units (CEUs) for NSCAA Convention attendees.

America's Sports University

CEUs from the leader in sports education may empower coaches and teachers to obtain salary increases, earn promotions and maintain/upgrade certifications. To earn CEUs at the Convention, coaches must attend a specified number of sessions from the list below and their badges scanned as they enter and leave the sessions to verify attendance.

One (1) CEU = Eight (8) Sessions: \$37.50 • Two (2) CEU's = 16 Sessions: \$75
